Los Angeles is often called a microcosm of the world—one of the most diverse, beautiful and vibrant cities on the planet.

Los Angeles offers a rich artistic, social and cultural environment that has something for everyone. Sample fare from food trucks, check out film festivals or outdoor concerts and attend UCLA Bruins football games at the Rose Bowl. Hike the canyons, relax at the beach or visit cultural institutions like the Getty Center or Walt Disney Concert Hall—all just minutes from campus.

L.A. is a place where creativity and new ideas flourish, where a robust economy connects to every continent and where the most important legal issues of our time emerge and take form.

MAKING CONNECTIONS

UCLA Law is not too big and not too small. We are just right, offering the collegiality of a close-knit student and alumni community in the midst of a world-class public university.

When you enroll at UCLA Law, you become part of an extended family that will support and encourage you every step of the way—from orientation to graduation and beyond.

Our approximately 65 student organizations and journals allow you to make a difference, build professional connections and form lasting bonds with your peers. Our alumni network, more than 20,000 strong, provides mentorship, career guidance and access to some of the most distinguished and talented legal minds in the nation.

Our alumni are leaders in law firms, movie studios, technology companies, nonprofit organizations and more. They include a U.S. senator, two members of the House of Representatives, and approximately 200 sitting state and federal judges.

“The wonderful thing about UCLA Law was that even though I went through law school not knowing exactly what kind of law I wanted to do, coming out of it I felt I would be prepared to do anything.”

JUDGE SALVADOR MENDOZA JR. '97
U.S. Court of Appeals for the Ninth Circuit
Richland, WA

“Optimism, service, innovation, diversity, and teamwork are encoded into the DNA of UCLA Law. When I chose UCLA, I did so on the promise that when I graduated, these ideals would become part of my DNA as a lawyer. UCLA more than delivered on that promise.”

CURRICULUM OVERVIEW

At UCLA Law, we provide a dynamic education that prepares students to become leaders in all areas of the law.

From the outset, J.D. students explore the foundations of legal reasoning with esteemed professors who, in many cases, literally wrote the book on the subject. Students begin their UCLA Law career with our pioneering, week-long orientation program that eases the transition to law school. Our distinctive yearlong Legal Research and Writing course provides students with the opportunity to explore the relationship between legal analysis and lawyering tasks, and it is taught alongside courses that historically have laid the foundation for law of all kinds: Civil Procedure, Constitutional Law, Contracts and Torts, along with two elective courses chosen from a broad selection of topics.

During the second and third years, J.D. students can structure their curriculum to suit their interests by selecting from among more than 200 advanced courses. Approximately 84% of all upper-level classes enroll fewer than 50 students, and 61% of all upper-level classes enroll fewer than 25 students. Students also can pursue their interests by:

- Developing practical skills through our groundbreaking experiential education program
- Exploring non-traditional legal topics through small seminars, sometimes taught in professors' homes
- Broadening their expertise with interdisciplinary courses taught in other campus departments
- Studying abroad at one of our 15 partner law schools
- Going to Washington, D.C., through the UCDC program or to the Hague through The Promise Institute Europe for eye-opening externships
