We assist any person who served in the United States military, regardless of discharge status, length of service, gender, and era of service. The UCLA Veterans Legal Clinic currently assists with only the following issues:

Tickets and Warrants: Resolving tickets and warrants for various minor violations such as jaywalking. We do not assist with DUIs.

Veterans Benefits: Applying for and appealing decisions for pension and service-connected compensation benefits.

Referrals available for other legal matters.

PLEASE NOTE: We will not be able to commit to serve as your attorney during intake. We also may be unable to provide legal advice on your matter during intake. When applicable, the clinic will further assess afterwards whether to provide representation or what legal advice can be given. To qualify for representation, individuals must meet certain criteria, including income.
