UCLA School of Law Law Fellows Program

The Law Fellows Program provides early academic development to high-potential undergraduate students and college graduates. To be eligible to participate, applicants must have at least a 3.3 cumulative undergraduate GPA achieved at a four-year institution. The program focuses on participants' academic development, with the objective of increasing their academic competitiveness for admission to law school. Our initiative is committed to ensuring equity, access, and excellence in legal education both in California and nationally. A strong preference is granted to applicants whose experiences reflect limited familial exposure to post-collegiate education, career opportunities, mentoring, and social support systems. Additional consideration is given to applicants who have overcome economic and/or educational hardships and challenges, or have come from, or demonstrated leadership experience in, economically or educationally underserved communities.

Law Fellows must attend a series of monthly Saturday Academies, held at UCLA School of Law in the winter and spring, where they are provided with mentoring, academic enrichment, and career development activities designed to de-mystify law school and the legal profession, and to present these objectives as viable options. **Tentative Dates for 2023 Saturday Academies: January 28, February 18, March 11, April 22, & May 20.**

The program prepares participants to successfully enter and succeed in top law programs and legal careers by affording Fellows access to a variety of events, programs and services, including:

- Professional-Level Instruction by Law School Faculty
- Personalized Juris Doctor (Law School) Action Plan
- Mentoring by Current UCLA Law Students
- LSAT Preparation Training and Counseling
- Presentations by Practicing Attorneys and Leaders in the Law Community
- Financial Aid Workshop
- Legal Research Primer by Law Library Staff
- Follow-Up Activities and Counseling until Law School Matriculation
